Provisional registration of chemical product—efficacy criteria not met

(4) If, under subsection 14(1A), the APVMA registers a chemical
product, the registration of the chemical product is on the condition
that:

Note: See subsection 36(3) for the consequences of a breach of this condition.

Varying registration of chemical product—efficacy criteria not met

(5) If, under subsection 29(1B), the APVMA varies the relevant particulars or conditions of the registration of a chemical product, the registration of the chemical product becomes subject to the condition that:
