**PLAGUE LOCUST REPORT FORM**

**STATE/ NSW-LHPA**

**Location**

| **Initial Report Infestation Details** |
|-----------------|-----------------|
| **Species:** | **Stage:** |
| **Area:** | **Density:** |
| **Activity:** | **Notes:** |

**General Location**

**Species:**

- *Locust species name*

**Stage:**

- Locust stage (e.g., 1st instar, 2nd instar, etc.)

**Density:**

- Locust density (e.g., 100 per square meter)

**Activity:**

- Activity performed by locusts (e.g., hatching, marching, flying, etc.)

**Area**

- Area affected by locusts (e.g., 1 ha, 10 ha, etc.)

**Size of Patches**

- Size of high-density patches (m)

**Activity**

- Activity performed by locusts (e.g., hatching, marching, flying, etc.)

**Locust Location Contact Details**

**Contact Name:**

- Name of contact person

**Property Location/Address:**

- Address of property

**Directions to Locust Location:**

- Directions to locust location

**Identifier:**

- PIC: Lot: DP: Contact type: e.g., owner, manager, etc.

**Phone:**

- Contact phone number

**Cell Phone:**

- Contact cell phone number

**Fax:**

- Contact fax number

**UHF:**

- Contact UHF number

**E-mail:**

- Contact e-mail address

**Field Observation Details**

**Coordinate Format**

- DD MMS GPS: Coordinate format

**Date:**

- Date of observation

**Latitude (°) e.g. 35° 6.415′**

- Latitude coordinate

**Longitude (°) e.g. 149° 22.076′**

- Longitude coordinate

**Location/Comments**

- Location and comments

**Species and/or % Ct (mark with an X):**

- Species: CT, LM, AG, OA, AC

- Other species

**Area Affected:**

- Area affected (e.g., 1 ha, 10 ha, etc.)

**Size of Patches:**

- Size of high-density patches (m)

**Activity:**

- Activity performed by locusts (e.g., hatching, marching, flying, etc.)

**Stage (put an X against all that apply):**

- Stage of locusts

**Density (report for each stage selected, especially dominant stage):**

- Locust density

**Egg Development (average):**

- Egg development

**Fat Score (average):**

- Fat score

**Comments:**

- Comments on observation

**Constraints (mark with an X):**

- Constraints on location

**Vegetation (mark with an X):**

- Vegetation type

**Plague Locust Report Form V2 (INT09/40449)  Version date: 26 August 2009**
