Plant Export Authorised Officer Hotline 1800 851 305

If you are an Authorised Officer and need assistance with an inspection, or have a general plant export query, you can now call 1800 851 305.

This number will connect you to a dedicated team in Canberra who will help to answer your questions.

To confidentially report information about suspected breaches of Australian biosecurity laws call 1800 803 006.
