Strengthening Supply Chain Trust and Integrity

6 March 2018

ABARES Outlook, 6-7 March 2018

Emma Weston, CEO & Co Founder
@emmamweston
Key themes

1. What is meant by ‘trust’ and ‘integrity’ in the context of agri supply chains?
2. How are emerging technologies challenging the traditional view of supply chain?
3. What does the agri supply chain of the future look like?
Trust?

Integrity?
Emerging tech and supply chain: threat and opportunity

Disruption of existing supply chains and incumbent business models

and

Strengthening of trust, moving from supply chain to value chain
Digitization
Internet of Things
Artificial Intelligence
Blockchain
AGRI SUPPLY CHAINS
