2018-19 FINANCIAL YEAR - SENATE ORDER ON ENTITY CONTRACTS LISTING - REPORTING PERIOD 1 JULY 2018 TO 30 JUNE 2019

Pursuant to the Senate Order on Entity Contracts, the following table sets out contracts entered into by the Department of the Environment and Energy which provide for a consideration to the value of \$100,000 or more (GST inclusive) and which:

- a) have not been fully performed as at 30 June 2019; or
- b) which have been entered into during the 12 months prior to 30 June 2019.

Most of the contracts listed contain confidentiality provisions of a general nature that are designed to protect the confidential information of the parties that may be obtained or generated in carrying out the contract.

The reasons for including such clauses include:

- a) ordinary commercial prudence that requires protection of trade secrets, proprietary information and the like; and/or
- b) protection of other Commonwealth material and personal information.

The accountable authority of the Department of the Environment and Energy has assured that the listed contracts do not contain any inappropriate confidetiality provisions.

Procurement contracts are available through the Senate Order Report located on the AusTender Homepage (www.tenders.gov.au).
