

LEX34717 response

Between 1 July 2022 (the establishment of DAFF) and 30 September 2025, the department maintained trees and shrubs across several larger non-metropolitan sites.

The department incurred a total of \$385.00 for the purchase and installation of external plants (trees and shrubs). No expenditure was incurred regarding indoor plants or floral arrangements during this period.

\$91,202.26 was paid to external contractors for plant care. These services were delivered via a third-party Property Services Provider (PSP).
