BIRD FLU

CAN MAKE BIRDS AND OTHER ANIMALS SICK.

If you see a sick or dead bird or animal, **don't touch it**.

Stay away, write down what you saw and where, and tell a trusted local or call the Emergency Animal Disease hotline: 1800 675 888.

This helps keep important places, totem species, food, and communities safe.

BIRD FLU, KNOW WHAT TO DO.

Scan the code or visit birdflu.gov.au for the latest information.
