Hi s. 22(1)(a)(ii)

I have discussed with s. 22(1)(a)(ii) .

We were not even aware that ISA had met with s. 33(a)(iii) . Also we have not implemented this policy and it was developed well before our time in the work area (thus very limited exposure to date).

On this basis, I suggest others would be better placed to draft this briefing suggested (but we remain happy to review as needed).

Im aware from email discussions on this topic in May (attached) that it would not be a simple review and covers multiple teams. If the briefing could please reflect that it would be appreciated. The discussion in person with the TWG group will likely be an update from ^{s. 33(a)} on current discussions with us holding the line on what we've said in the past.

Good afternoon s. 22(1)(a)(ii) / s. 22(1)(a)(ii) / s. 22(1)(a)(ii)

s. 33(a)(iii)

Appreciate if for each of the items you are able to draft some briefing to support s. 22(1)(a)(ii) at this engagement. A template briefing shell for both items has been created and is available in this folder under items

14. ☐ briefing we also would request you/a representative attend the meeting in person to talk to this item – the agenda is a bit fluid however expect the discussion on these items to be happening at around 1330, however we will reach out to your team when the item comes up.

Hoping you are able to complete by COB next Tuesday please to give us time to both consolidate and for s. 22(1)(a)(ii) to have time to review. If there is anything else you think s. 22(1)(a)(iii) should be informed about please let us know.

Thanks in advance
