Offshore Treatment Providers

United States of America

As at 02 June 2023

Certificates from methyl bromide treatment providers in the listed countries will only be accepted if they are valid and meet all the requirements for a methyl bromide treatment certificate as per our Methyl Bromide Fumigation Methodology. It is the importer's responsibility to determine if methyl bromide is available in the listed countries.

More information may be found at this link: [Example of Methyl Bromide Fumigation Certificate](#).

Treatment certificates are not accepted from treatment providers as of the date they are listed as 'unacceptable' or 'under investigation'. There is no allowance for goods in transit.
