Key statistics

 **122**
PROJECTS WILL BE FUNDED ACROSS AUSTRALIA

Examples of infrastructure projects

- New pavilions and exhibition areas
- Seating, shade and weather protection
- Accessibility upgrades and new amenities
- Improved public safety and animal welfare
- Power and energy efficiency upgrades

What's next?

Current restrictions around public events like agricultural shows won't stop funding to successful applicants. Ag Shows grants are future focussed and will help provide the infrastructure needed to bring city and country people back together.
