Application for registration as a horticulture export treatment facility

Form approved under the Export Control (Prescribed Goods-General) Order 2005

Section A: General information

Purpose of this form
For facilities to apply to treat horticulture goods for export or to add treatment functions to their registration. Facilities must be a plant export registered establishment.

Before applying
If your facility is not a plant export registered establishment, complete an Application for registration or notification to the Secretary of change of details of an establishment and submit it with this form.

Note: Do not submit this form unless you can comply with the requirements and are ready for audit.

Read the:
• Guideline: Management of plant export registered establishments
• relevant treatment standards
• protocol and work plans in the password protected area of the Manual of Importing Country Requirements (MICoR) - Plants.

Industry export costs
You may have to cover costs associated with departmental or importing country auditors and/or pre-clearance inspectors. Check the applicable protocol or work plan for information about the importing country’s requirements. Section C below indicates where an importing country is required to audit the establishment.

Section E: Privacy notice

‘Personal information’ is defined in the Privacy Act 1998 and includes information or an opinion about an identified, or reasonably identifiable, individual.

The Department of Agriculture collects your personal information in relation to this form for the purposes of assessing your application to register as a horticulture export treatment facility and related purposes. If you fail to provide some or all of the personal information requested in this form, the department will be unable to process your application.

The department may disclose your personal information to overseas governments or agencies, Australian diplomatic posts and other Australian Government agencies, persons or organisations where necessary for the purposes described, provided the disclosure is consistent with relevant laws, particularly the Privacy Act. Your personal information will be used and stored in accordance with the Australian Privacy Principles.

By completing and submitting this form you consent to the disclosure of all personal information contained in this form to overseas governments, agencies and the national plant protection organisation (NPPO) of each nominated importing country. The department has not taken steps to ensure that these overseas governments, agencies and NPPOs do not breach the Australian Privacy Principles. This means that:

- the overseas recipient may not be accountable under the Privacy Act
- you may not be able to seek redress under the Privacy Act
- you may not be able to seek redress in the overseas jurisdiction
- the overseas recipient may not be subject to any privacy obligations or to any principles similar to the Australian Privacy Principles.

See our Privacy Policy web page to learn more about accessing or correcting personal information or making a complaint. Alternatively, telephone the department on +61 6272 3933.
