NSW Bordering Belconnen	31 Oct 2024	<p>Map as at 27 June 2024.</p> <p>Red shade: Restricted areas Orange shade: Control areas Note: There are no infected premises in this area, as it was established given the proximity to the infected premises in the ACT in the below image.</p>	<p>The map displays the NSW Bordering Belconnen region with two shaded areas: a large orange-shaded Control Emergency Zone and a smaller red-shaded Restricted Emergency Zone. The orange zone covers a large area to the west and north of the red zone. The red zone is located near the border with the ACT, specifically around the area of Belconnen. The map includes a legend, a north arrow, a scale bar (0 to 4 Kilometers), and an inset map showing the location of the outbreak area within NSW. The inset map shows Sydney, Melbourne, and the location of the outbreak area near the ACT border. The map is titled 'Avian Influenza NSW 2024' and 'Created on 27/06/2024'. The NSW Department of Primary Industries logo is visible in the bottom right corner.</p>
