

Bovine Spongiform Encephalopathy (BSE) Country List

This list is used by the Department of Agriculture, Fisheries and Forestry for trade purposes relating to commodities other than beef and beef products for human consumption.

To address imported food safety requirements for beef and beef products for human consumption the Food Standards Australia New Zealand (FSANZ) country status applies - <https://www.foodstandards.gov.au/business/bse/bsestatus>.

Note: Any country or zone not on this list is considered by the Department of Agriculture, Fisheries and Forestry to have an undetermined BSE risk status.

Countries recognised by the Department of Agriculture, Fisheries and Forestry as having a negligible BSE risk status
