Privacy notice

Personal information means information or an opinion about an identified individual, or an individual who is reasonably identifiable. 'Personal information' that is collected under or in accordance with the *Biosecurity Act 2015* is also 'protected information' under the *Biosecurity Act 2015*. The collection of protected information including personal and sensitive information by the Department of Agriculture and Water Resources (the department) in relation to this form is being collected under the *Biosecurity Act 2015* for the purposes of assessing your application for approval to use restricted imported biological material in vivo in non-laboratory animals

. If the relevant personal information requested in this form is not provided by you, the department may be unable to process your application. Information collected by the Department will only be used or disclosed as authorised under the *Biosecurity Act 2015*. The personal information requested on this form may be disclosed to other Commonwealth or State Agencies. It will usually be disclosed overseas. In every case it will only be disclosed if authorised by the *Biosecurity Act 2015*.

See our [Privacy Policy](http://www.agriculture.gov.au/about/privacy) web page (<http://www.agriculture.gov.au/about/privacy>) to learn more about accessing or correcting personal information or making a complaint. Alternatively, telephone the department on +61 2 6272 3933.

¹ The department will be able to take into consideration any processing undertaken within an approved arrangement as part of the biosecurity risk assessment.
