Data Sources:
Natural Resource Management (NRM) Region Boundaries © Commonwealth of Australia, Department of the Environment with data compiled in collaboration with State and Territory government agencies.
Topographic Data © Commonwealth of Australia, Geoscience Australia, 2006.

Note:
OceanWatch Australia Limited is the NRM organisation with responsibility for enhancing fish habitats and improving water quality in estuaries and coastal marine environments. OceanWatch works with the fishing industry to continue the adoption of industry best harvesting practice and identify issues of common interest for fishers across Australia.
