Section B: Registered veterinarian details

Given name (s)

Surname

Registration number

Veterinary clinic

Section C: Consignment details

Destination country

Scheduled date of export

Exporter's name

Email address

Exporter's phone number

Exporter's address

Suburb/Town/City

State/Territory

Postcode

Species	Breed	Sex	Age	Name and identification	Colour/markings
Example: Dog	Bull terrier	F (D)	2 yrs	"Rex", microchip number	White/black

*(D) indicates the animal is desexed

Section D: Veterinary declaration

I, _____, being veterinarian registered in a state or territory of Australia, have inspected the animal/s described above on _____, (date) at _____

_____, (clinic name and address where inspection was conducted) and found the animal/s to be free from clinical signs of infectious and/or contagious diseases and free from infestation with external parasites.

I am satisfied that the animals are healthy and are fit to travel.

I have maintained relevant records as outlined on the department's website ([Perform testing, treatments and vaccinations](#)) and can produce these if requested.

I declare that the information I have provided is true and correct.

I understand that a person may commit an offence or be liable to a civil penalty if the person makes a false or misleading statement in an application or provides false or misleading information or documents (sections 136.1, 137.1 and 137.2 of the *Criminal Code* and sections 367, 368 and 369 of the Export Control Act).

Section E: Owner/exporter declaration

I, _____ being the (tick applicable):

owner

exporter

of the animal/s described above and confirm that the animal/s have been in Australia (tick applicable):

since birth, or

for the whole of the previous six months, or

since importation from _____ (country), _____ months ago and are not under any quarantine restrictions.

Considerations

- **EU & GB, Channel Islands and the Isle of Man (cats)** have not been resident on holdings where during the past 60 days cases of Hendra virus have been confirmed.
- **Korea (cats)** have originated from an establishment or farm or premise where no cases of Hendra virus or Nipah virus have occurred during the last 60 days.
- **Malaysia (dogs/cats)** have originated from an establishment or farm or premise where no cases of Hendra virus have occurred during the last 6 months.

- **New Caledonia (cats)** there has been no cases of Hendra virus during the last 60 days on the property where the cats have been held prior to export.
- **Sri Lanka (dogs/cats)** the animal was not in contact with animals showing clinical signs of any infectious or contagious disease including filariasis and leptospirosis for cats/dogs and distemper, infectious hepatitis, parvovirus and dermatomyocosis for dogs for a period of three months immediately prior to export.
- **South Africa (dogs)** will be shipped in containers which conform to IATA regulations, which will be either new or suitably disinfected and fumigated before loading and are of such a nature that contact with other animals of a lesser health status, en route, is prevented. I have informed the owner/person in custody that treatment for dirofilariasis must continue for 6 months after arrival in South Africa and I confirm that this person has sufficient amounts of the drugs used in possession to carry out the required therapy.
- **South Africa (cats)** will be shipped in containers which conform to IATA regulations, which will be either new or suitably disinfected and fumigated before loading and are of such a nature that contact with other animals of a lesser health status, en route, is prevented.
- **UAE (dogs/cats)** the animal was placed in a crate that was cleaned and disinfected before use and complies with the IATA regulations.

I declare that the information I have provided is true and correct.

I understand that a person may commit an offence or be liable to a civil penalty if the person makes a false or misleading statement in an application or provides false or misleading information or documents (sections 136.1, 137.1 and 137.2 of the Criminal Code and sections 367, 368 and 369 of the Export Control Act).

Section F: Privacy notice

‘Personal information’ means any information or opinion about an identified, or reasonably identifiable, individual.

‘Sensitive personal information’ is a subset of personal information and means any information or opinion about an individual’s racial or ethnic origin, political opinion or association, religious beliefs or affiliations, philosophical beliefs, sexual preferences or practices, trade or professional associations and memberships, union membership, criminal record, health or genetic information and biometric information or templates.

The Department of Agriculture, Water and the Environment collects your personal information (as defined in the *Privacy Act 1988*) for the purpose of assessing this declaration. If you fail to provide some or all of your personal information, we will not be able to process this form.

The department may disclose your personal information to relevant authorities provided the disclosure is consistent with the Privacy Act and other relevant laws.

See the department’s [Privacy Policy](#) to learn more about accessing or correcting personal information or making a complaint. Alternatively, telephone the department on +61 2 6272 3933.
