

## **Determination**

### ***Imported Food Control Act 1992, section 18A(1)***

I, **Vikki Fischer**, Assistant Secretary, Pathway Policy – Travellers, Mail and Imported Food Branch, delegate of the Secretary of the Department of Agriculture, Water and the Environment and acting pursuant to section 18A(1) of the *Imported Food Control Act 1992*, **determine** that, for food of a kind specified below, a recognised food safety management certificate is a specified certificate that:

- 1) is issued by a Certification Body that is accredited by:
  - i) an Accreditation Body (AB) which has signed the International Accreditation Forum Multilateral Recognition Agreement; or
  - ii) a Certification Program Owner (CPO) recognised by the Global Food Safety Initiative; and
- 2) specifies the name of the producer; and
- 3) specifies that the food of a kind specified below is produced (grown, packed, processed) under a food safety management system consistent with the Codex Alimentarius Commission General Principles of Food Hygiene (CXC 1-1969), including Chapter 1: *Good Hygiene Practices* and Chapter 2: *Hazard Analysis Critical Control Point (HACCP) System and Guidelines for its Application*; and
- 4) can be verified through a web-accessible database administered by the relevant AB or CPO:
  - i) as having been issued by the Certification Body, and
  - ii) for currency.

This determination applies to the following kinds of food:

Pomegranate arils (and seeds) that are:

- a) fresh or frozen: and
- b) ready-to-eat; and
- c) not retorted.

Dated this **29<sup>th</sup>** day of **November** in the year **two thousand and twenty one**.

**Vikki Fischer**

Assistant Secretary

Pathway Policy – Travellers, Mail and Imported Food Branch

Delegate of the Secretary of the Department of Agriculture, Water and the Environment
