Section I: Privacy notice

'Personal information' means information or an opinion about an identified individual, or an individual who is reasonably identifiable.

The collection of personal information by the Department of Agriculture, Fisheries and Forestry in relation to this submission is for the purposes of gathering information on the risk analysis and related purposes. If you do not provide this information, we will be unable to contact you to discuss your submission.

Under the Freedom of Information Act 1982, submissions marked confidential may be made available. Such requests will be determined in accordance with provisions under that Act.

Personal information may be published on our website, disclosed to other Australian agencies, persons or organisations where necessary for these purposes, provided the disclosure is consistent with relevant laws, in particular the Privacy Act 1988. Your personal information will be used and stored in accordance with the Privacy Principles.

See our Privacy Policy to learn more about accessing or correcting personal information or making a complaint. Alternatively, telephone us on 1800 900 090 (option 1, option 1).
