

This map of Queensland, Australia, illustrates the distribution of protected areas. National Parks are shown in purple, Reserves in pink, and National Refuges in yellow. The map covers the entire state, from the Gulf of Carpentaria in the north to the border with New South Wales in the south, and from the border with Western Australia in the west to the Coral Sea in the east. Major cities and towns are marked with black dots. The map includes labels for various National Parks such as Girringun NP, Paluma Range NP, White Mountains NP, and others. It also shows Reserves like Blackbraes RSR and National Refuges like Toomba NREF. The map is a detailed representation of the state's protected areas.
