

Feedback on the Supervising Scientist 2006–07 Annual Report

We hope we have presented a comprehensive and informative account of the activities of the Supervising Scientist Division during 2006–2007.

If you have any suggestions for Supervising Scientist activities that you'd like to read more about and/or different ways you'd like to see the existing information presented, we would value your feedback. Please send your views by post or by e-mail to the addresses given below.

You can also access this and previous Supervising Scientist Annual Reports on the Department of the Environment and Water Resources web site:
