

A map of Geelong, Australia, showing various growth areas. The Northern Geelong Growth Area is a dark blue polygon in the upper center. The Western Geelong Growth Area is a dark blue polygon in the lower left. A large area between them is filled with diagonal hatching. To the right is Corio Bay, a light blue body of water. The bottom center area is labeled 'Urban Geelong' and is a light grey color. The background is a light grey map of the region.
