Also change of Chief Investigator.
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Shire of Mundaring	This project will install a 5kW Solar Photovoltaic Panel System to the Mundaring Arts Centre.	7,965.62	17/05/2017	12	Darlington, WA	6070	N	GST exclusive
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	JENKO SUTHERLAND SHIRE PONY CLUB INC	This project will install a 24.5kW Solar Photovoltaic Panel and Battery Storage System to the Jenko Sutherland Shire Pony Club.	15,000.00	17/05/2017	12	Illawong, NSW	2234	N	GST exclusive
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Cardinia Shire Council	This project will install a 6.9kW Solar Photovoltaic Panel System to the Gembrook Preschool.	9,792.00	17/05/2017	12	Officer, VIC	3809	N	GST exclusive
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	ENDEAVOUR FOUNDATION	This project will install a 15.7kW Solar Photovoltaic Panel System to the Endeavour Foundation Maroochydore.	16,500.00	17/05/2017	12	Cannon Hill, QLD	4173	N	GST Inclusive
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	City of Greater Bendigo	This project will install a 15kW Solar Photovoltaic Panel System to the building utilised by the Strathdale Community Centre.	15,000.00	17/05/2017	12	Bendigo, VIC	3552	N	GST exclusive
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	GRANGE BOWLS AND COMMUNITY CLUB INC	This project will install a Battery Storage System to the Grange Bowls and Community Club.	11,000.00	17/05/2017	12	Grange, QLD	4051	N	GST Inclusive
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Mornington Peninsula Shire Council	This project will install a 4.2kW Solar Photovoltaic Panel System to the Southern Peninsula Community Support & Information Centre.	5,800.00	17/05/2017	12	Rosebud, VIC	3939	N	GST exclusive
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	ST VINCENT DE PAUL SOCIETY (TASMANIA)	This project will install a 20kW Solar Photovoltaic Panel System to the building utilised by Vincent Industries	16,248.71	17/05/2017	12	Invermay, TAS	7248	Y	GSt Inclusive
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Broadmarsh/Elderslie Progress Association Inc	This project will install a 8.5kW Solar Photovoltaic Panel System to the Broadmarsh/Elderslie Progress Association.	9,788.96	17/05/2017	12	Broadmarsh, TAS	7030	N	GST exclusive
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	One-off / Ad hoc	Griffith University	To support the participation of a leading Australian expert in Intergovernmental Panel on Climate Change processes	1,475.00	17/05/2017	2	Griffith University	4222	N	N/A
Program 3.1: Antarctic Science, Policy and Presence	Protecting Antarctica	Monash University	Unveiling the terrestrial eukaryote diversity of Antarctica	149,531.00	18/05/2017	43	Clayton VIC	3800	N	GST exclusive
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	One-off / Ad hoc	University of Queensland	To support the participation of a leading Australian expert in Intergovernmental Panel on Climate Change processes	13,500.00	18/05/2017	20	St Lucia QLD	4702	N	N/A
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Sorell Council	This project will install a 10kW Solar Photovoltaic Panel System to the Midway Point Hall.	9,867.93	19/05/2017	12	Sorell, TAS	7172	N	GST excl
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Robin Krabbe	This project will install a 5.2kW Solar Photovoltaic Panel and Battery Storage System to the building utilised by Live Well Tasmania.	15,000.00	19/05/2017	12	Wynyard, TAS	7325	N	
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	The Scout Association of Australia Victorian Branch	This project will install a 4.5kW Solar Photovoltaic Panel System to the 1st Ashburton Scout Group Hall	8,000.00	19/05/2017	12	Mt Waverley, VIC	3149	N	GST Excl
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	ENDEAVOUR FOUNDATION	This project will install a 15.7kW Solar Photovoltaic Panel System to the Endeavour Foundation Kew.	16,500.00	19/05/2017	12	Cannon Hill, QLD	4170	N	
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Australian Muslim Welfare Centre Incorporated	This project will install a 8kW Solar Photovoltaic Panel and Battery Storage System to the Australian Muslim Welfare Centre.	14,999.99	19/05/2017	12	Minto, NSW	1111	N	
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	BAPTIST EMERGENCY ACCOMMODATION MINISTRY (B.E.A.M.)	This project will install a 16kW Solar Photovoltaic Panel System to the Half Dozen Group of Artists Art Studio.	16,500.00	19/05/2017	12	South Windsor, NSW	2756	N	
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	WYNYARD BOWLS CLUB INCORPORATED	This project will install a 14kW Solar Photovoltaic Panel System to the Wynyard Bowls and Community Club.	16,413.05	19/05/2017	12	WYNYARD, TAS	7325	N	
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	LIFELINE NORTHERN RIVERS	This project will install a 5.22kW Solar Photovoltaic Panel System to the building utilised by Lifeline Northern Rivers.	8,125.00	19/05/2017	12	Lismore, NSW	2480	N	
Program 3.1: Antarctic Science, Policy and Presence	Protecting Antarctica	University of Western Australia	Tectonics Erosion and Topography in East Antarctica	52,900.00	22/05/2017	31	Crawley WA	6009	N	GST exclusive
Program 1.1: Sustainable Management of Natural Resources and the Environment	National Landcare Programme: Natural Heritage Trust	Planet Ark Environmental Foundation	The aim of the Project is to contribute to conserving and restoring Australia's biodiversity. In achieving this aim, the Recipient must identify 'appropriate' sites for the purpose of planting 21,000 trees. Trees must be greater than 2m in height when mature with a minimum of 500 trees to be planted on sites .02ha or greater. The Recipient will deliver this Project in partnership with Landcare and Bushcare groups, native nurseries, community and municipal councils through an expression of interest (EOI) process that will solicit proposals for partner groups and appropriate sites.	110,000.00	22/05/2017	19	Sydney, NSW	2000	N	GST Inclusive
Program 1.2: Environmental Information and Research	Australian Biological Resources Study (ABRS)	Dr Anthony Orchard	Publication of complete transcripts of Allan Cunningham's botanical journals 1817–1822, matched to species lists and specimens	5,000.00	23/05/2017	12	Acton ACT	1111	N	The funding agreement has not yet been finalised with the recipient. The funding approval date is indicative of when an agreement will be signed.

Program 1.1: Sustainable Management of Natural Resources and the Environment	Reef 2050 Plan	Catchment Solutions Pty Limited	This project will see Catchment Solutions undertaking an integrated catchment approach to sediment reduction associated with gully and stream bank erosion. The Project will target two sediment producing creek systems, Princhester and Ten Mile Creeks located within the neighbourhood catchment F11 of the Fitzroy River. The project will coordinate and provide funding to landholders to directly address hillslope and alluvial gullies and stream bank restoration and re-vegetation programs. Work will include replanting, building of porous check dams and runoff diversions, as well as limited but targeted gully head drop structures and stream bank toe protection to control erosion. The Project aims to increase the gully and stream bank erosion control uptake rate across the Fitzroy region by demonstrating the tools available to graziers and communicate this through on-ground validated examples. The catchment improvements which addressed gully and stream bank erosion will be monitored two to three yearly and used in regional extension activities.	4,280,177.00	23/05/2017	61	MacKay, QLD	4740	N	GST Inclusive

Program 1.1: Sustainable Management of Natural Resources and the Environment	Reef 2050 Plan	Greening Australia Ltd	This project will assess, prioritise and implement cost effective restoration and improved land management practices in the Don, Bowen Bogie and East Burdekin management units. Greening Australia will build on existing work already underway in these catchments, working across 1000 ha, to restore an estimated 400 ha of high priority eroding gullies. The project will remediate and improve the resilience of gullies and watercourses which contribute sediment to the Great Barrier Reef watercourses. It will also improve the condition of vegetation in the zones adjoining these watercourses, improving the ecosystems and stabilizing the area and work in reducing further erosion and sediment deposit entering the waterways. Landholders engaged during the project will be supported with training in best practice management, with a focus on grazing practices allowing for long term management of land.	4,147,000.00	25/05/2017	62	Melbourne, VIC	3000	N	GST Inclusive
