Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Ocean Beach Surf Life Saving Club	Installation of a 19.8kW Solar Photovoltaic Panel System to the Ocean Beach Surf Life Saving Club.	\$15,400	4/10/17	12	Umina Beach, NSW	2257	N	
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Lawrence Golf & Sports Club Inc	To install a 5kW Solar Photovoltaic Panel System to the Lawrence Golf & Sports Club.	\$7,246	4/10/17	12	Lawrence, NSW	2460	N	GST excl.
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Terrigal Shire Life Saving Club	Installation of a Solar Hot Water System to the Terrigal Surf Life Saving Club.	\$11,620	4/10/17	12	Terrigal, NSW	2260	N	
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Community Queensland Ltd	To install a 7.4kW Solar Photovoltaic Panel system to the building utilised by Community Queensland Ltd.	\$11,000	4/10/17	12	Spring Hill, QLD	4000	N	
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Garie Surf Life Saving Club Incorp	To install a Solar Hot Water System to the Garie Surf Life Saving Club.	\$13,046	4/10/17	12	Royal National Park, NSW	2233	N	
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	MacMasters Beach Surf Life Saving Club Incorporated	To install a 10.2kW Solar Photovoltaic Panel System to the MacMasters Beach Surf Life Saving Club.	\$15,400	4/10/17	12	MacMasters Beach, NSW	2251	N	
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Queanbeyan Childrens Special Needs Group Inc.	This project will install an 11.5 kW Solar Photovoltaic Panel and Battery Storage System to the building utilised by the Queanbeyan Children's Special Needs Group.	\$16,500	9/10/17	12	Queanbeyan, NSW	2620	N	
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	St Pauls Burwood Parish	This project will install a 4kW Solar Photovoltaic Panel and Battery Storage System to the St Pauls Anglican Church Burwood.	\$16,120	10/10/17	12	Burwood, NSW	2134	N	
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	City of West Torrens	This project will install a 19.6kW Solar Photovoltaic Panel System to the Western Youth Centre.	\$15,000	10/10/17	12	Hilton, SA	5033	N	GST excl.
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	North Avoca Surf Life Saving Club	This project will install a 19.8kW Solar Photovoltaic Panel System to the North Avoca Surf Life Saving Club.	\$15,400	11/10/17	12	North Avoca, NSW	2260	N	
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Sturt CFS Group	This project will install a 5.2kW Solar Photovoltaic Panel and Battery Storage System to the building utilised by Belair CFS.	\$10,989	10/10/17	12	Hawthorndene, SA	5051	N	
Program 2.1: Reducing Australia's Greenhouse Gas Emissions	Solar Communities	Sturt CFS Group	This project will install a 5.2kW Solar Photovoltaic Panel System to the building utilised by Blackwood CFS.	\$10,989	10/10/17	12	Hawthorndene, SA	5051	N	
Program 1.1: Sustainable Management of Natural Resources and the Environment	National Landcare Programme: Natural Heritage Trust	Bass Coast Landcare Network Inc	This project will aim to create 2 large biolinks within the Bass Coast region.	\$55,000	17/10/17	20	Bass, VIC	3991	N	
Program 1.1: Sustainable Management of Natural Resources and the Environment	Improving Your Local Parks and Environment	Commonwealth Scientific and Industrial Research Organisation	Grant funding will be used for biological control of bush fire-promoting and other weeds relevant for the Dandenong Ranges.	\$1,000,000	10/10/17	33	Canberra, ACT	2601	N	GST excl.
Program 1.1: Sustainable Management of Natural Resources and the Environment	National Landcare Programme: Natural Heritage Trust	Southern Regional Natural Resource Management Association	Emergency intervention will be undertaken to secure Eucalyptus morrisbyi in the wild.	\$90,200	17/10/17	24	Hobart, TAS	7000	N
