Purpose of this document

The purpose of this document is to provide guidance on how to obtain a web service token in the NEXDOC portal.

How to obtain a web service token in the NEXDOC portal

Step 1

Log in to the [Online services](#) portal

Online Services - Login

Australian Government
Department of Agriculture,
Fisheries and Forestry

Email or Client ID

Password [Forgot my password](#)

Login

Don't have an account?
[Create Account](#)

[Continue with Digital ID](#)

Digital ID is a secure, convenient and voluntary way to verify and reuse your ID online.

Step 2

Select **Connect to a new service**

Home My Details Services Tasks Inbox 0 UG User Guide

Welcome to Agriculture Online Services

This portal provides access to online services within the Department of Agriculture, Fisheries and Forestry.

Connect to a service to:

1. Register your company as an exporter
2. Register as a Client group administrator (external software users)
3. Request to be an AEPI (Automated Export Permit Issuer)
4. Create web service users for your software

If your company is already registered as an exporter – the person in your company who manages your NEXDOC access will be able to add your online account to the exporter

If you want to update your personal details, go to the 'My Details' tab and update your contact details

My services

[Go to NEXDOC Homepage](#) >

[Lodge a Request for Export \(REX\)](#) >

[Manage Client Groups](#) >

[Manage web service users](#) >

[Connect to a new service](#)

Step 3

Select **Create web service users for your software installations** tab.

[Cancel exporter registration >](#)

All Services Available

[Request to be an Automated Export Permit Issuer \(AEPI\)](#)

Request to be an Automated Export Permit Issuer (AEPI) declaration of understanding. For exporters, occupiers of registered establishments or their employees/agents to declare their eligibility to become Automated Export Permit Issuers (AEPs) and to demonstrate their understanding of export eligibility requirements.

Create web service users for your software installations

 You have made a request for this service. No new requests are permitted until a decision is made on the pending request.

Request Id	05241119732949
Request Status	SUBMITTED
Requested On	26 April 2024
Contact Us	(02) 6272 4700

Web services are secured and require user accounts to be used by your software.

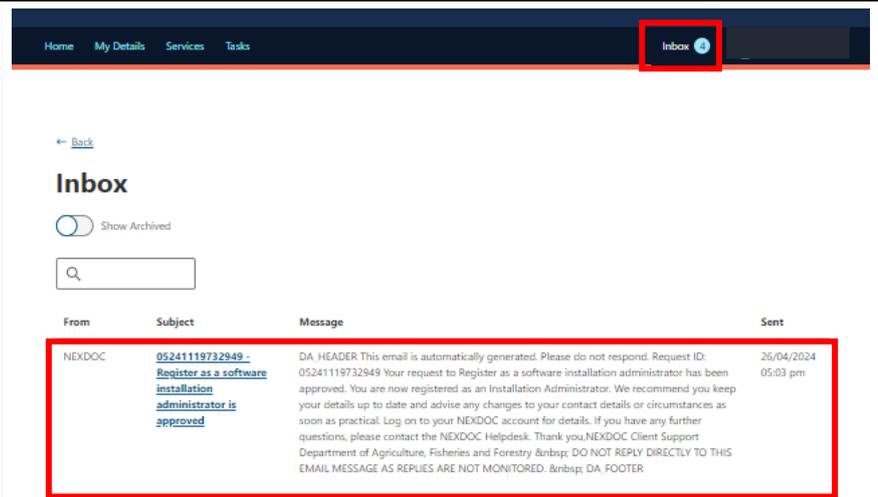

The request is now with the Department for review.

How to view a web service token in the NEXDOC portal

Step 1

An alert will be sent to your NEXDOC inbox once a decision has been made on your request

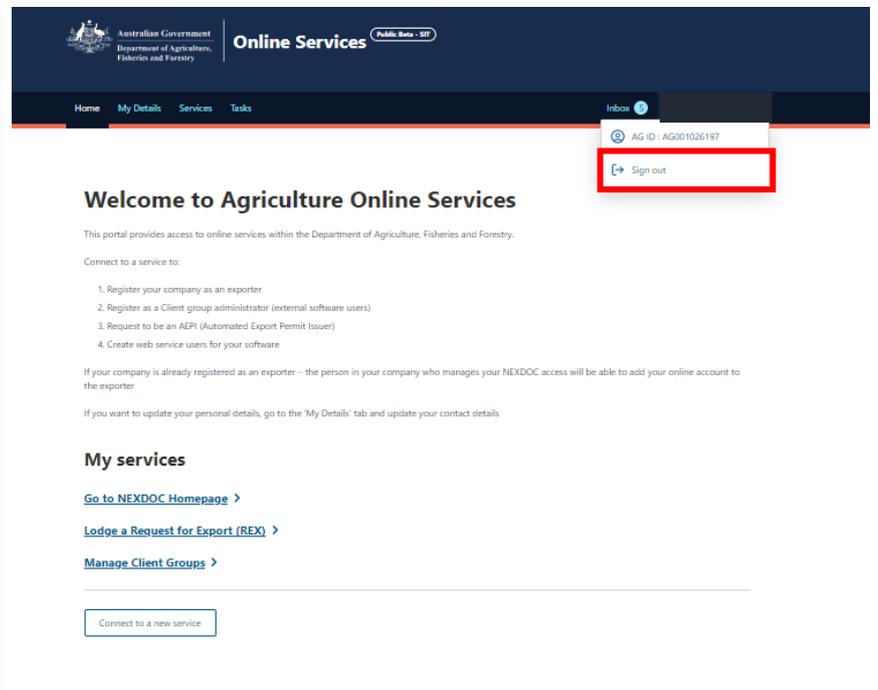

The message states Register as a software installation administrator is approved.

You will need to wait 10minutes for your software installation access to become available on your homepage.

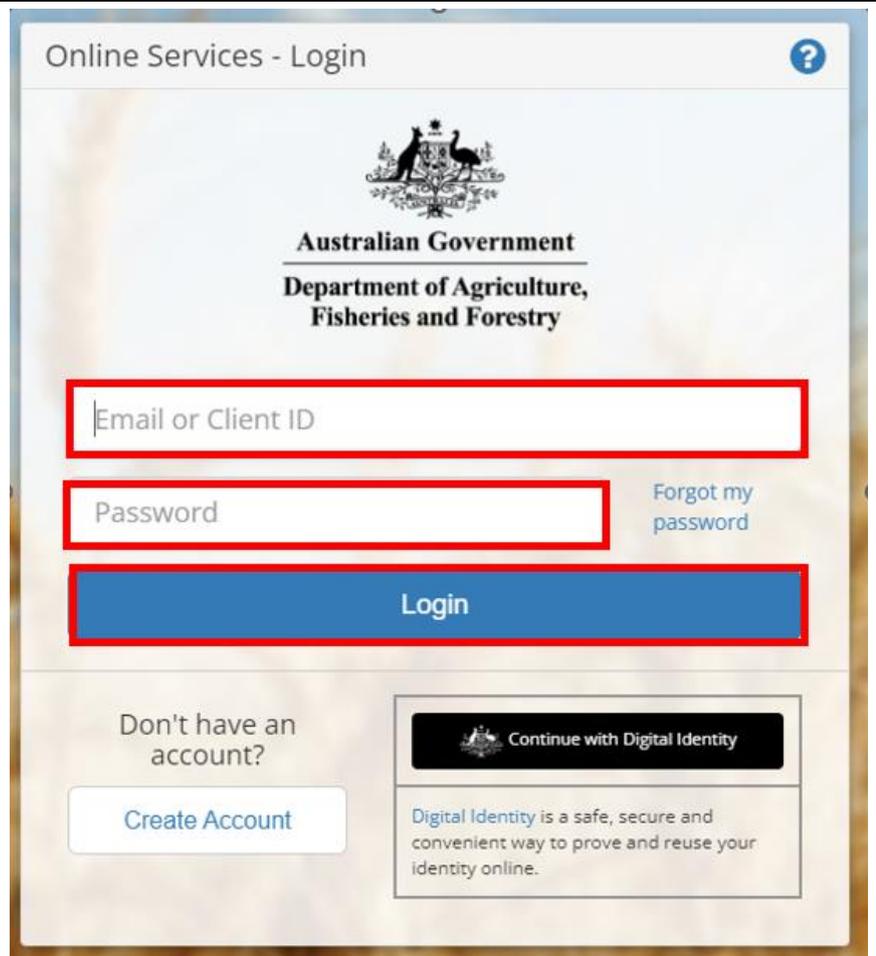

Step 2

Log out of the Online Services Portal

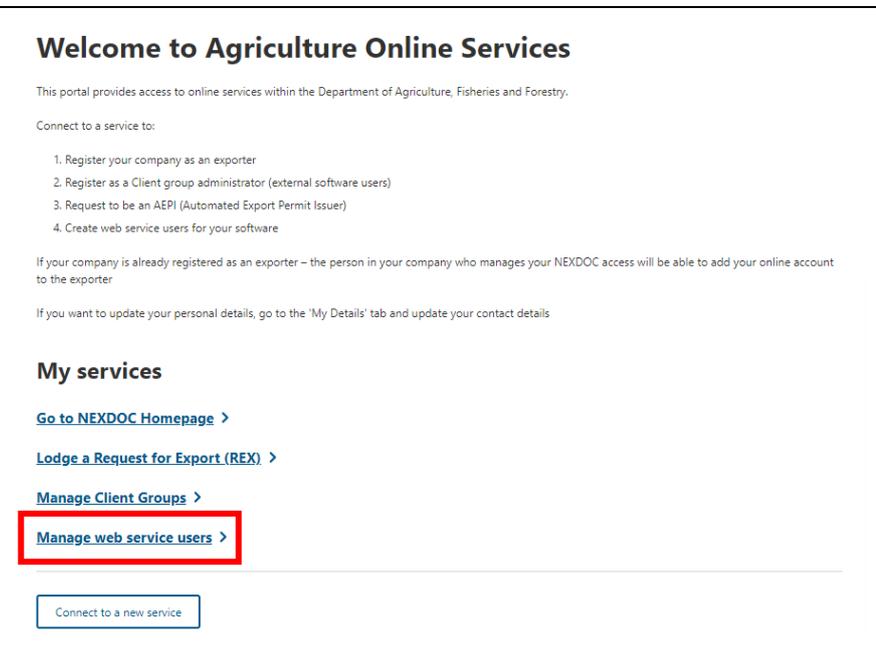

Step 3

Log into the Online Services Portal

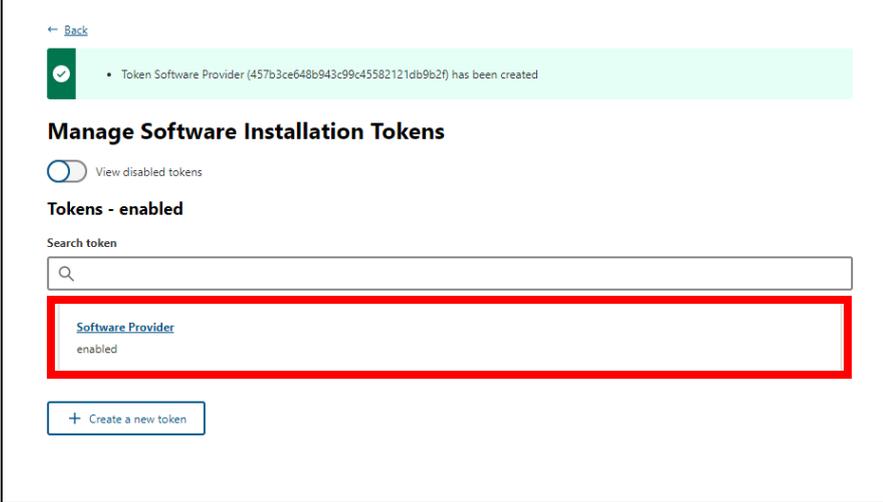

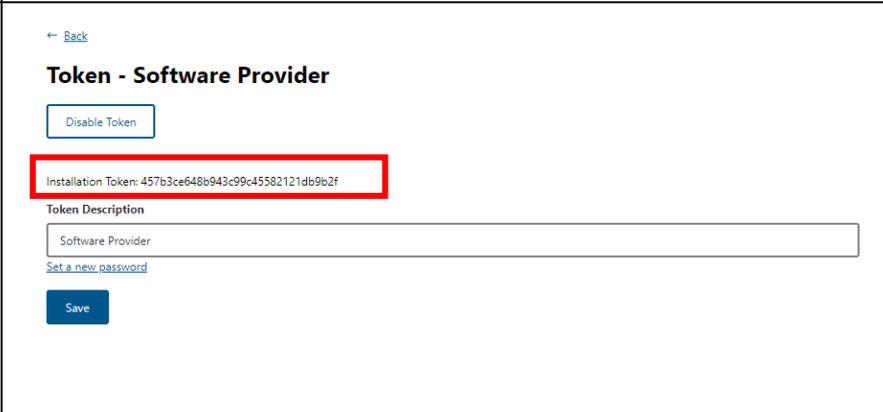

Step 4

Select **Manage web services users**

<p><u>Step 5</u></p> <p>Select + Create a new token</p>	<p>← Back</p> <h3>Manage Software Installation Tokens</h3> <p><input type="checkbox"/> View disabled tokens</p> <p>Tokens - enabled</p> <p>No token.</p> <p>+ Create a new token</p>
<p><u>Step 6</u></p> <p>Type in the Token Description field the software provider.</p> <p>Type a password in the Set Password field.</p>	<p>← Back</p> <h3>New Token</h3> <p>Token Description</p> <p><input type="text"/></p> <p>Set Password</p> <p>Password must be a minimum of 10 characters, and contain at least one uppercase character, one lowercase character, one special character and one number.</p> <p><input type="password"/></p> <p><input type="checkbox"/> Show password</p> <p>Save</p>
<p><u>Step 7</u></p> <p>Select Save</p>	<p>← Back</p> <h3>New Token</h3> <p>Token Description</p> <p><input type="text" value="Software Provider"/></p> <p>Set Password</p> <p>Password must be a minimum of 10 characters, and contain at least one uppercase character, one lowercase character, one special character and one number.</p> <p><input type="password" value="*****"/></p> <p><input type="checkbox"/> Show password</p> <p>Save</p>
<p><u>Step 8</u></p> <p>A confirmation message will display with the token ID.</p>	<p>← Back</p> <p> • Token Software Provider (457b3ce648b943c99c45582121db9b2f) has been created</p> <h3>Manage Software Installation Tokens</h3> <p><input type="checkbox"/> View disabled tokens</p> <p>Tokens - enabled</p> <p>Search token</p> <p><input type="text"/></p> <p>Software Provider enabled</p> <p>+ Create a new token</p>

<p>Step 9</p> <p>Select the Software Provider tab.</p>	
<p>Step 10</p> <p>The exporters software token is found in the Installation Token field.</p>
