Good afternoon, [s 47F\(1\)](#)

Thank you for your correspondence of 14 March 2025.

s 37(2)(b)

It appears you are intending on employing the AAOs directly (as establishment employed AAOs), rather than using a [Third-Party Provider](#) under the AAO Scheme. Providing that your company is not planning to export to the EU, this is an acceptable approach.

It is important to note that all AAOs must be authorised by the department before performing duties, and you will need to submit all AAO applications to the department as outlined on [ELMER 3](#).

If you intend on exporting to the EU in the future, then you will need to engage a Third-Party Provider approved by the department under the AAO Scheme.

For further information on the AAO application process, please reach out to ao@aff.gov.au.

Kind regards,
