Commonwealth Environmental Water Office

# Northern Fish Flow

## Community Information Drop-In Sessions

To help native fish survive the drought, the Commonwealth Environmental Water Office and NSW Office of Environment and Heritage are releasing water for the environment into the Dumaresq, Macintyre, Mehi and Barwon Rivers from April to June 2019.

Want to know more? Come along to the next community information drop-in sessions at Walgett or Brewarrina.

Sessions have already been held in Texas, Goondiwindi, Toomelah, Boggabilla, Mungindi, Boomi and Moree in May.

### Walgett: 6 June 10am-12pm

Sporting Club, [Fox St and Monkella St, Walgett](#)

### Brewarrina: 13 June 10am – 12pm

Weir Park, Doyle St, Brewarrina
