# Australian Bird and Bat Banding Scheme (ABBBS) Logon

Important: you will need to have registered on the system for an 'ABBBS web client account' before you can log on.

If you have not already registered, access the Quick Reference Card (QRC) for registration and follow the instructions.

#### Accessing the ABBBS site

1. Open a new internet explorer session and navigate to the Australian Bird and Bat Banding Scheme web portal at:

http://www.environment.gov.au/deh/biodiversity/science/a bbbs/index.html

- 2. The ABBBS screen is displayed with a link to the 'Secure client portal'.
- 3. Select the 'Secure client portal' link marked as A on Figure 1.

Fig 1: The Australian Bird and Bat Banding Scheme web portal

 The 'ABBBS secure client portal' screen is displayed. You can then select the 'Logon' hyperlink (B) as shown in Figure 2.

#### Logging on

- 6. You will need to enter details (C) for:
  - Authority number
  - Password

ensuring they match your registered account details.

- 7. After you enter the correct details and click on the 'Logon using our secure server' button (D).
- 8. The **'Welcome to the ABBBS secure client portal'** screen displays (Figure 4).

### Successful logon

9. You have successfully logged on to the 'ABBBS' secure client portal'.

## Failed logon.

 After you select the 'Logon using our secure server' if either of the logon details are incorrect or do not match, the following screen (Figure 5) is displayed with the error message at (E):

**Fig 5:** The Australian Bird and Bat Banding Scheme secure client web portal – logon screen after an unsuccessful logon

- 11. There are two hyperlinks displayed in the message for you to use to fix the problem:
  - 'Forgotten password', and
  - 'Register for an ABBBS web client account'
- 12. If you choose the 'Forgotten password' link the Figure 6 is displayed:
