Department of Agriculture,
Water and the Environment

DO YOU KNOW SOMEONE DESERVING OF AN AUSTRALIAN BIOSECURITY AWARD?

Across the country, Australians are working tirelessly to maintain Australia's biosecurity system. These biosecurity champions come from all walks of life — from industry, government, education, research, and the community in general.

Nominations
for the
**2022 Australian
Biosecurity Awards**

Awards, read previous
winners' stories and
register for updates.**

PAST WINNERS

Anindilyakwa Land Council Land and Sea Rangers & South32 GEMCO

'This award represents for us genuine recognition of the work we're doing. The collaboration between South32 GEMCO, the Rangers and the Anindilyakwa Land Council is pretty unique and can showcase to others what can be achieved when people work together.'

Pohlmans Nursery

'This award acknowledges a decade of work on BioSecure HACCP. For Pohlmans, the system has increased our productivity, but the big gains have been on our quality and efficiencies.'

Chris Johnson and Andy O'Brien, Pohlmans Nursery – winners of the 2021 Farm Biosecurity Producer of the Year Award.

GMV Fruit Fly Area Wide Management Program

'By engaging the broader community through area wide management, we can increase the quality of Australian horticultural exports, and expand further into world markets.'
