(MUST be issued by the treatment provider and
MUST include the company's name AND address)**

KILN DRYING TREATMENT CERTIFICATE

Note: Where the Department of Agriculture, Fisheries and Forestry has arrangements with overseas governments and /or treatment providers the certificates must comply with the requirements of that arrangement.

This is to certify that the goods described below have been treated in accordance with the statements made below.

Unique identifiable link to the consignment: _____

Description of goods/packaging being treated: _____
(such as pallets and crates if packaging was also treated)

Quantity/volume of goods/packaging treated: _____

Date of treatment: _____

Temperature: _____ °C or °F

Duration of heating/drying: _____ (hours)

Timber thickness: _____ mm or inches

Kiln drying treatment certificates must also contain:

- A statement to reflect that the temperature was measured at the core of the product.
- A statement that the required temperature was maintained for no less than the minimum duration.

Additional statements as required by the import conditions for the relevant goods/packaging (if applicable)

Signature _____ Printed name _____
(Company Employee) (Employee Name)

Date of issue _____
(DD/MM/YYYY)
