

## **ADDENDUM**

### ***Zieria ingramii* Recovery Plan**

In adopting this plan under the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act), the Minister for the Environment, Heritage and the Arts has approved the following modifications.

#### **Recovery Actions**

Action 3 – Research is amended by deleting from the list of specific areas of research that are required for *Z. ingramii*

- investigating the palatability of the species to domestic stock and native herbivores

and replacing with

- determining grazing impacts on the species (including through enclosure studies in grazed areas)

and by adding to that list

- determining the response of the species to fire
