

Application to move suspended prawn product imports subject to biosecurity control

Form approved under s156 of the *Biosecurity Act 2015*

Section A: General information

Purpose of this form	This form must be completed to obtain approval to move uncooked prawn consignments that were imported prior to the suspension on 9 January 2017.
Application requirements	<ul style="list-style-type: none">• Prawn consignments were imported prior to the suspension on 9 January 2017.• The receiving site must be a (Class 2.5) Approved Arrangement under section 406 of the <i>Biosecurity Act 2015</i> or a site approved by the department. Movement to a non approved site must have prior approval from the department.• Provide details of proposed route (identifying major roads along route).• Both sites must keep a signed copy of the plan on file and present it on request to the Department of Agriculture and Water Resources.• Interstate movements are not permitted under any circumstances.• Unless otherwise directed, biosecurity officers must be present to supervise loading and unloading of product.• Records of loading and unloading must be kept for audit purposes.
Transport requirements	<ul style="list-style-type: none">• All goods must be transported directly to the Approved Arrangement or approved site in one day.• The Importer/Approved Arrangement manager is to be aware and available at all times during movement of the goods.• Goods must be transported frozen in cartons.• The transport provider must use an enclosed truck or another method approved by the department to maintain security to the delivery point.• The container or truck will be sealed with a biosecurity seal.• Imported prawns and associated residue must be separate from other products.• The product must be moved from the secure area with minimum time delays. If delays occur during loading, container doors must be closed and remaining product secured.• The seal, carton and batch numbers will be verified on arrival.• You must receive written approval from the department before prawns are moved.• All inspection and verification processes are chargeable.

Section D: Proposed route

5 Starting point (all goods must be transported directly in the one day)

Business name

Street address (PO Box will not be accepted)

Suburb/town/city

State/territory

Postcode

6 Starting date and time

Date (dd/mm/yyyy)

Loading time (HH:MM) 24-hour clock

Departing time (HH:MM) 24-hour clock

7 Destination (all goods must be transported directly in the one day)

Business name

Street address (PO Box will not be accepted)

Suburb/town/city

State/territory

Postcode

8 Destination arrival date and time

Date (dd/mm/yyyy)

Estimated arrival time (HH:MM) 24-hour clock

9 Proposed route (identify major roads along route)

Section E: Driver instructions and declaration

To be completed by the person nominated as the transport driver.

I have received a copy of the Transport Plan and have read and understand my responsibilities as outlined for the transport of these goods subject to Biosecurity control by the proposed route and approved above in section D.

I am aware that I must contact the Biosecurity officer (under s156 of the *Biosecurity Act 2015*) immediately in the event of an accident, spillage, or vehicle breakdown. I am aware that the product being transported is still under Biosecurity control.

Signature (enter signature or type your name)

Date (dd/mm/yyyy)

Section G: Privacy notice

'Personal information' means information or an opinion about an identified, or reasonably identifiable, individual.

'Sensitive information' is a subset of personal information and includes any information or opinion about an individual's racial or ethnic origin, political opinion or association, religious beliefs or affiliations, philosophical beliefs, sexual preferences or practices, trade or professional associations and memberships, union membership, criminal record, health or genetic information and biometric information or templates.

By completing and submitting this form you consent to the collection of all personal information, including sensitive information, contained in this form.

The Department of Agriculture and Water Resources collects your personal information (as defined in the *Privacy Act 1988*) in relation to this form as required under the *Biosecurity Act 2015* for the purposes of assessing your application and related purposes. If you fail to provide some or all of the personal information requested in this form, the department will be unable to process your application.

The department may disclose your personal information to the other Australian Government agencies, local, state and territory health authorities and persons or organisations where necessary for the purposes described, provided the disclosure is consistent with relevant laws, particularly the Privacy Act. Your personal information will be used and stored in accordance with the Australian Privacy Principles.

See our [Privacy Policy](#) web page to learn more about accessing or correcting personal information or making a complaint. Alternatively, telephone the department on +61 6272 3933.
