APPLICATION FOR APPROVAL TO TRANSFER APPROVED NON EU BREEDERS BETWEEN EU ACCREDITED PROPERTIES

1. Name of the manager of the EU farms:

2. PIC of the EU farm from which the approved breeders will be transferred from:

3. Date/s the manager was first granted approval to purchase non EU breeders:

4. PIC and address of the EU farm to which the approved breeders will be transferred:

5. Number of approved breeders intended to be transferred:

I wish to apply to transfer approved breeding females between my EU accredited properties for breeding purposes only. Once approved, I understand and confirm that the transfer must be notified on the NLIS database the usual way, and the list of animals Radio Frequency Identification Device (RFID) numbers must be sent to AQIS. I understand that the non-EU females will remain in the system as not eligible for the EU market but their offspring will be eligible.

Signature: _____

Date: ____/____/____

Printed Name: _____

Applications may be faxed to AQIS on 02 6272 5442 or posted to EUCAS Coordinator,
GPO Box 858, Canberra ACT 2601.
