

4 September 2003

**PLANT BIOSECURITY POLICY MEMORANDUM 2003/26**

**TROPICAL AND SUB-TROPICAL FRUIT QUARANTINE WORKSHOP**

This Plant Biosecurity Policy Memorandum (PBPM) invites stakeholders to a workshop on tropical and sub-tropical fruit quarantine issues, including consultation on the draft Import Risk Analyses (IRA) for fresh mangosteen fruit from Thailand and fresh longan and lychee fruit from China and Thailand.

Biosecurity Australia will hold a workshop with stakeholders to discuss the following:

- the draft IRA report for fresh mangosteen fruit from Thailand;
- the draft IRA report for fresh longan and lychee fruit from China and Thailand; and
- fruit market access (Australian exports).

The workshop will be held as follows:

Tuesday 30 September 2003  
Time: 8.45am  
Airport Administration Centre  
Cairns International Airport  
CAIRNS QLD

Please contact Technical and Administrative Services of Plant Biosecurity by close of business on Monday 22 September 2003, if you plan on attending this workshop.

If you wish to suggest inclusion of an additional stakeholder in our distribution list, or if you wish to be removed from the distribution list, please provide details to Technical and Administrative Services:
