

14 April 2015

**INDUSTRY ADVICE NOTICE NO: 2015/13**  
**Plant Exports – Phytosanitary certification for Citrus fruits to Malaysia**

**Purpose**

To provide an update to industry of the product coding required for submitting Requests for Permits for citrus fruits to Malaysia.

**Background**

Industry Advice Notice 2015/05 issued 15 January 2015 is rescinded following an enhancement to EXDOC.

**Key Points**

- An enhancement has been made to EXDOC to address the issue of providing Phytosanitary certification for Malaysia using the original citrus fruit coding.
- All original citrus fruit coding has been re-instated in EXDOC for certification to Malaysia.
- The EXDOC codes for citrus fruits created as an interim, and notified in Industry Advice Notice 2015/05 have been revoked.
- This change becomes effective immediately.
