# Offshore Treatment Providers

## Papua New Guinea

As at 18 April 2019

### Important Notice

Certificates from Papua New Guinea methyl bromide treatment providers will only be acceptable if they are valid, include the relevant identification number, and all company address details are as they appear on the Papua New Guinea Treatment Providers' Current Status list below.

Fumigation certificates will not be accepted from companies that are 'suspended' or 'withdrawn'. Consignments fumigated by providers that are 'suspended' or 'withdrawn' must be re-treated, exported or voluntarily disposed of in a manner approved by the Department of Agriculture and Water Resources (the department). Consignments fumigated by providers that are 'under investigation' must be either: fully inspected, re-treated, exported or voluntarily disposed of in a manner approved by the department. **Treatment certificates are not accepted from treatment providers as of the date they are listed as 'suspended', 'withdrawn', or 'under investigation'. There is no allowance for goods in transit.**
