

### Import Notification – Nursery Stock

This form must be completed for all consignments of nursery stock imported to Australia with the exception of:

- bulbs grown in open quarantine at a Class 6.11 Approved Arrangement site ; and
- 6 or less orchid tissue cultures imported through the airport as accompanied baggage.

This form must be completed and faxed or emailed to the relevant regional office:

- **prior to shipment** of the container for **Full Container Load (FCL) shipments**
- at least **7 working days prior to the arrival** of the consignment for **NON-FCL shipments**.

**Please complete all fields below and return to the appropriate Department of Agriculture, Water and the Environment Biosecurity office (see page 2)**

<b>Consignment type:</b> <input type="checkbox"/> FCL <input type="checkbox"/> Non- FCL	<b>Shipping method:</b> <input type="checkbox"/> Airport - accompanied baggage <input type="checkbox"/> Air Cargo <input type="checkbox"/> Sea Cargo <input type="checkbox"/> Mail	<b>Nursery stock type:</b> <input type="checkbox"/> Tissue culture <input type="checkbox"/> Budwood <input type="checkbox"/> Bulbs <input type="checkbox"/> Bare-rooted <input type="checkbox"/> Cuttings
Importer/company name (include contact details and/or broker name and contact details)		
Exporter name and contact details		
Import Permit number(s)		
Date of arrival (if not confirmed provide best estimate)		
Port of arrival		
Botanical name(s) (attach list if required)		
Number of plants in consignment (attach list if required)		
Are the plants greater than 10cm in diameter or longer than 1.5m?*	If yes, please specify the dimensions of each plant including estimated weights.	
YES                      NO		
Nominated approved arrangement site for Post Entry Quarantine (PEQ) Screening* (approved arrangement name, address, approval no.)
