## Export-accredited carrot production area details

Farm name:			Office Use Only
Production area location ( address)	Production area number or name (as identified on map)	Area ( Hectares)	Export accreditation number

### **MAP DETAILS:**

It is mandatory that a map of the property be provided with details of and clearly defining the production area/s. It is a requirement that the grower be able to identify and clearly distinguish the physical location of the production area/s.

Maps provided must include key information (i.e. road names) to identify the property through a searchable computer-based mapping program (eg. Google maps).

## **Privacy Notice - Horticulture Exports Program**

Personal information means information or an opinion about an identified individual, or an individual who is reasonably identifiable.

The Department of Agriculture and Water Resources collects your personal information, as defined by the Privacy Act 1988 (Privacy Act), in relation to this application for the purpose of export property accreditation, meeting requirements under nominated importing country protocols, to assist in the collection of industry levies, and related purposes. If you fail to provide some or all of the personal information requested in this application, the department will be unable to assess your eligibility to export your commodity to importing countries.

The department may disclose your personal information to Australian Diplomatic Posts, and relevant Industry Peak Bodies, and other Australian government agencies, persons or organisations where necessary for the above purposes, provided the disclosure is consistent with relevant laws, in particular the Privacy Act. Your personal information will be used and stored in accordance with the Australian Privacy Principles.

By completing and submitting this form you consent to the disclosure of all personal information contained in this form to the National Plant Protection Organisation (NPPO) of the nominated importing countries. The department has not taken steps to ensure that the NPPO of importing countries does not breach the Australian Privacy Principles. This means that:

- the NPPO will not be accountable under the Privacy Act
- you will not be able to seek redress under the Privacy Act
- you may not be able to seek redress in the overseas jurisdiction
- NPPO of importing countries may not be subject to any privacy obligations or to any principles similar to the Australian Privacy Principles.

See the department's [Privacy Policy](#) to learn more about accessing or correcting personal information or making a complaint. Alternatively, telephone the department on +61 2 6272 3933 to contact the privacy team.
