

Attachment 2: Export inspection of empty bulk vessels prerequisites

This form is to be used by the candidate as a personal checklist. The form lists the prerequisites that must be met prior to being considered for the Export inspection of empty bulk vessel - at berth & at protected anchorage job functions.

All of the following prerequisites must be met:

Work safely at heights (RIIWH5204D)

Have you completed the *Work safely at heights course (RIIWH5204D)* in the last 2 years and attached evidence of this?

Yes No

Identify a confined space (DEFWHS010/RIIWH5202D)

Have you completed the Identify a confined space course (DEFWHS010/ RIIWH5202D) in the last 2 years and attached evidence of this?

Yes No

Provide first aid (HLTAID003/HLTAID006)

Have you completed the Provide first aid course (HLTAID003/HLTAID006) in the last 3 years and attached evidence of this?

Yes No

Bulk vessel inspection medical assessment report

Have you attached a completed Bulk vessel inspections medical assessment report? The report will need to be obtained less than 28 days prior to the date of your application. This assessment will be valid for 1 year.

Yes No

If you answered 'no' to any of the above questions, you will need to obtain the certificates/fill out the forms before we can deliver mandatory facilitated training.

Declaration of boarding experience (for 'at protected anchorage' attachment ONLY)

Have you completed a Declaration of boarding experience and attached it?

Yes No

If you answered 'no' to this question, you will need to provide this prerequisite before we can accept your request. This job function has a prerequisite of the **Export inspection of empty bulk vessels: at berth job function.**

Australian Government
**Department of Agriculture
and Water Resources**

The ***Authorised Officer declaration of boarding experience form*** can be found here: <http://www.agriculture.gov.au/export/controlled-goods/plants-plant-products/ao/ao-app-form>.
