Dear Sir/ Madam,

On behalf of the Board and members of ANSA- the Australian National Sportfishing Association Ltd, I would like to thank David Borthwick for the invitation to participate in the Commonwealth Fisheries Management Review.

ANSA has been a co contributor to the submission presented by ARFF - the Australian Recreational Fishing Foundation and fully endorses the recommendations contained in the ARFF review which was submitted today.

ANSA looks forward to constructively working with the Commonwealth Fisheries Management Review to ensure that recreational fishers are effectively and appropriately recognised and represented in fisheries management policy and legislation .

Yours faithfully

John Burgess
Executive Officer/ Director
