

Comprehensive Regional Assessment

Environmental Stratification

1. Analyse by Environment Australia and Victorian Department of Natural Resources and Environment (DNRE)

2. Production of the AUC-G-Guide: D. Second IEM (© 2006, All rights reserved) is a non-profitable effort by the Australian Energy, Policy and Information Group (AUEP-IG), Australian Biological Science Organisation (ABSO), Australian Telecommunications (ATIS), and the Centre for Research and Environmental Studies (CRES), at the Australian National University. Climate surfaces were interpolated using the ANUCLIM algorithm developed by GRIFF. Climatology and Elevation information is from the 1950-2000 Land Systems of Victoria as supplied by ARE.

3. The agencies do not warrant that the data are free from errors and will not accept any liability for loss, damage or injury which may be suffered by the user from the use of these data.
