

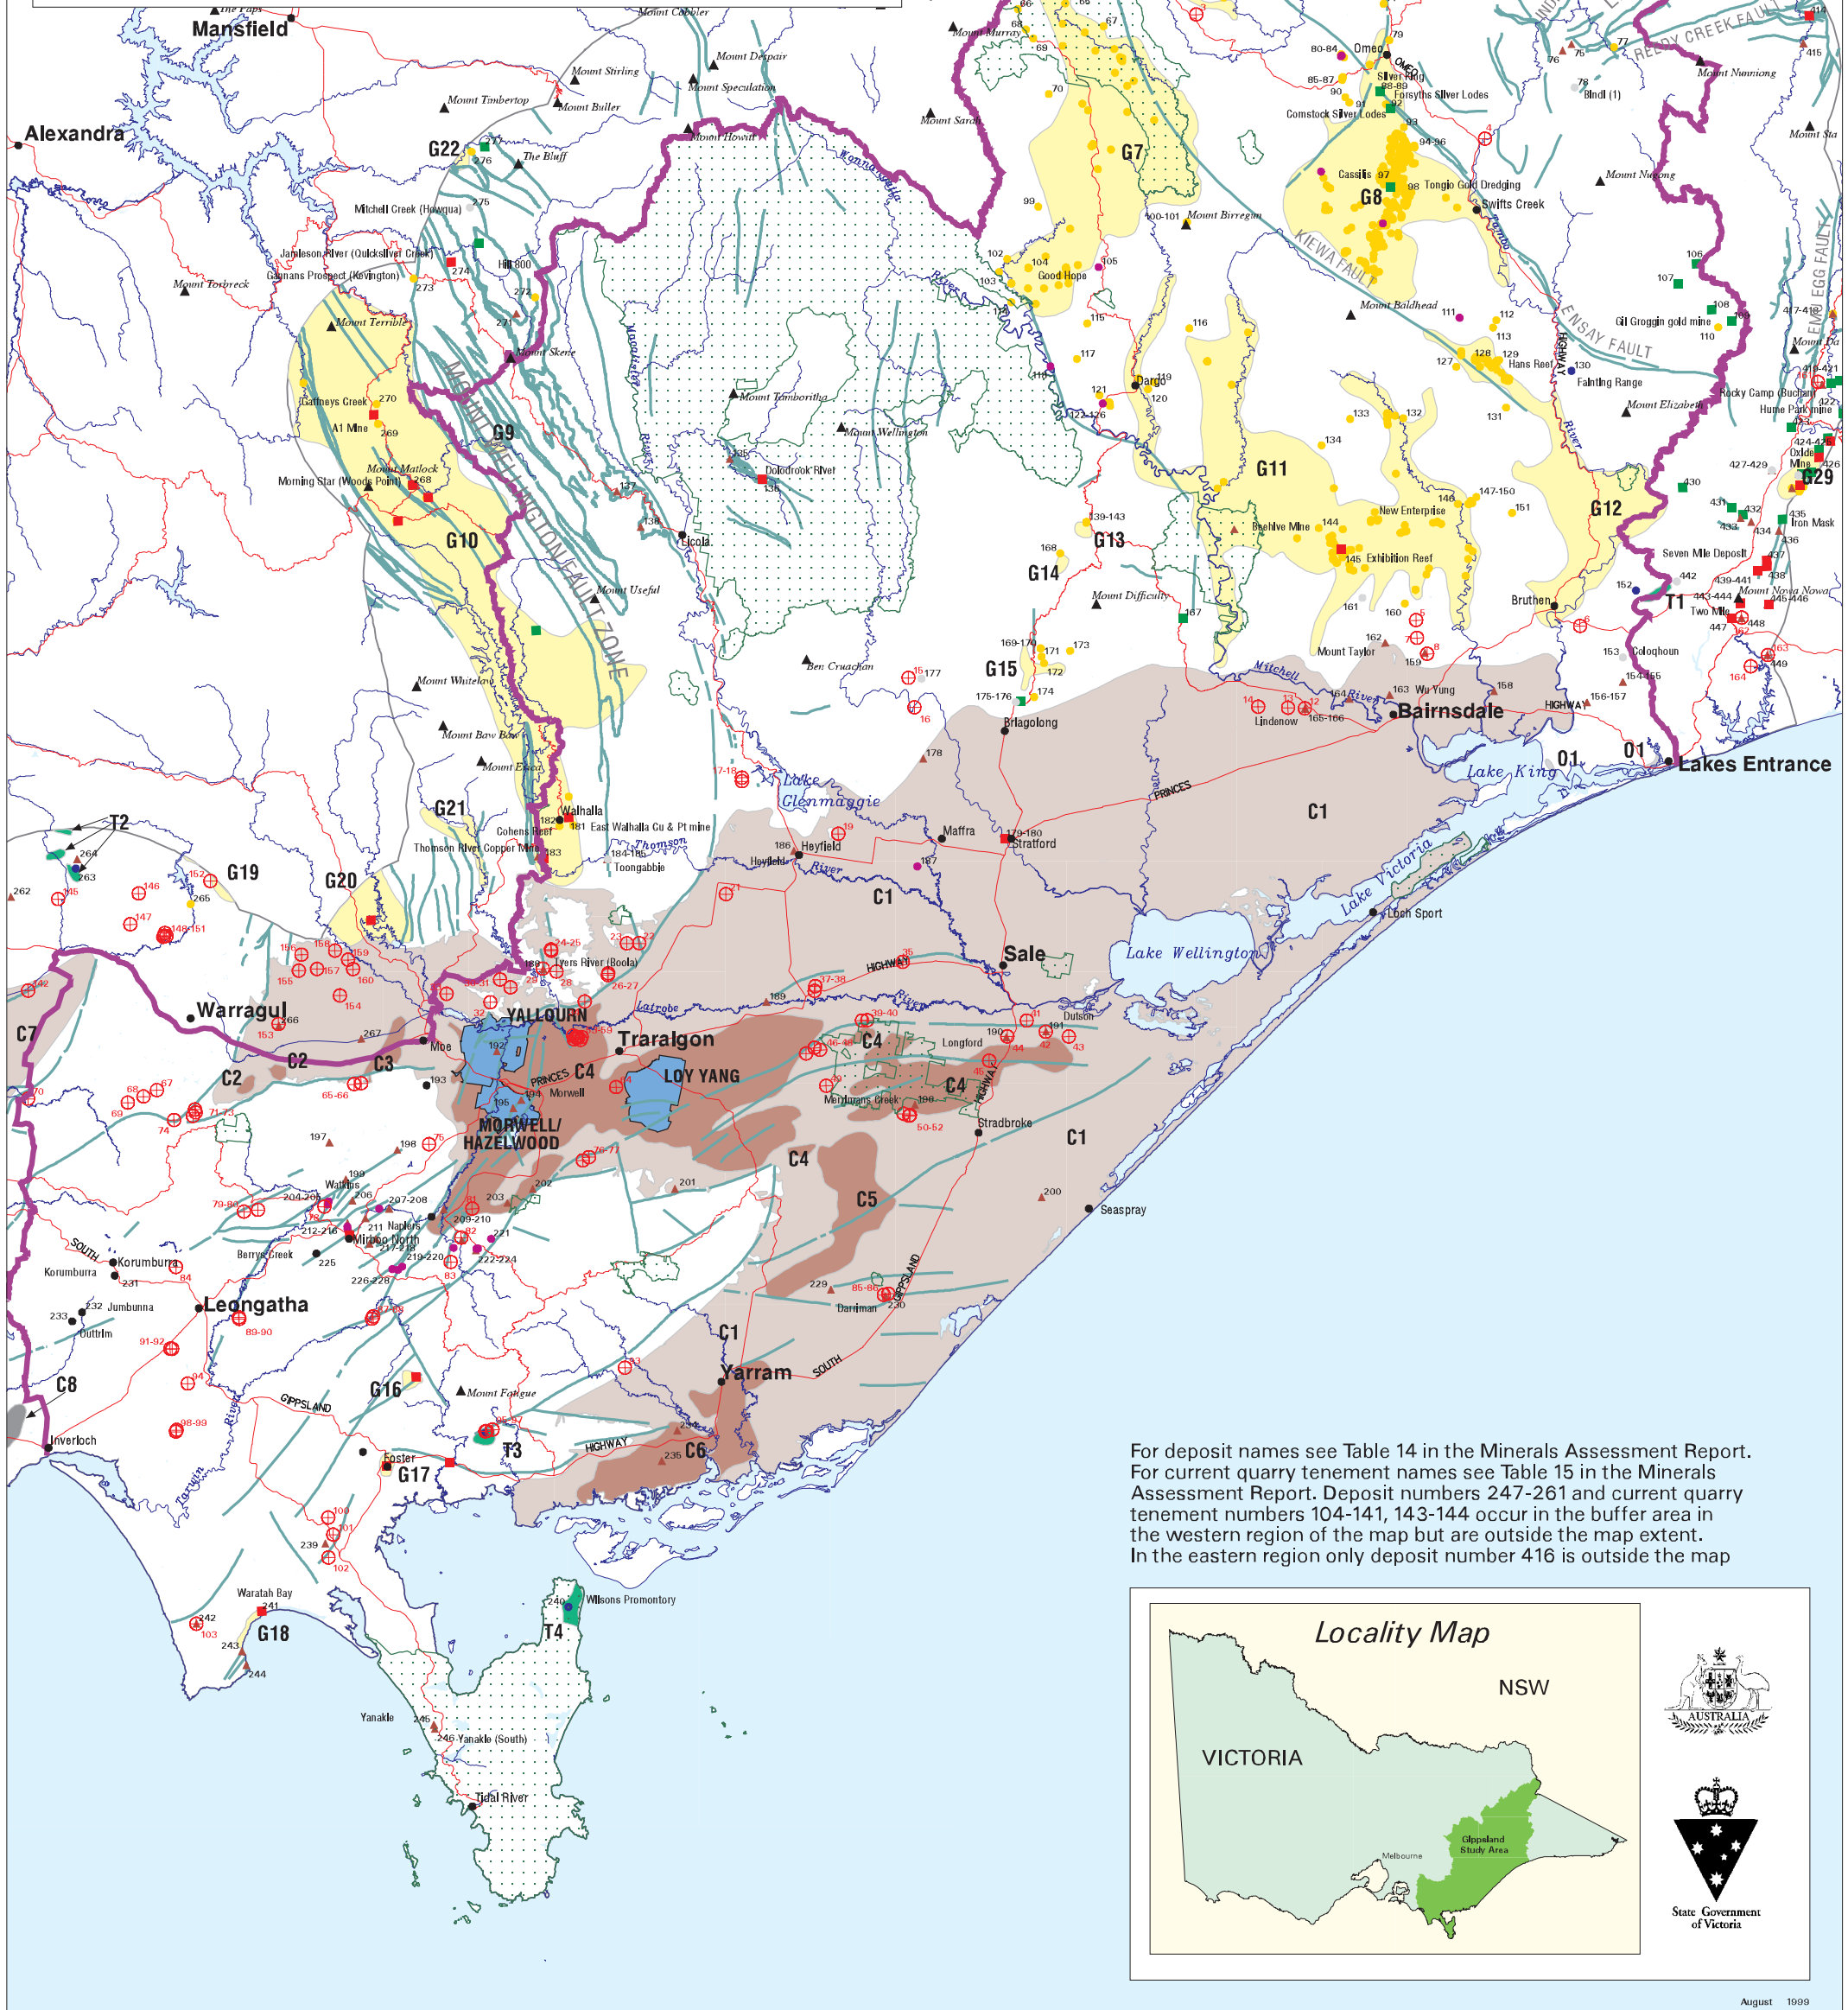

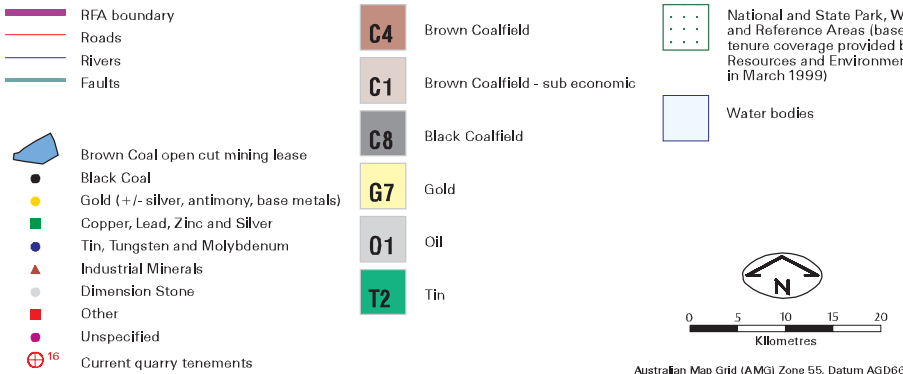

Map 10.2 GIPPSLAND

Comprehensive Regional Assessment

MINERAL OCCURRENCES, GOLDFIELDS AND COALFIELDS

For deposit names see Table 14 in the Minerals Assessment Report.
For current quarry tenement names see Table 15 in the Minerals Assessment Report. Deposit numbers 247-261 and current quarry tenement numbers 104-141, 143-144 occur in the buffer area in the western region of the map but are outside the map extent. In the eastern region only deposit number 416 is outside the map
