

WATER ENTITLEMENT MARKET PRICES (SUMMARY)

Murray-Darling Basin

Psi Delta provides market price information on water entitlements in the Murray-Darling Basin for the Department of the Environment. This summary report includes the Volume Weighted Average Price (VWAP) and 25th and 75th percentile price for approved permanent water transfers in the Murray-Darling Basin for the December quarter 2014. These data are collected from publicly available water registers. Price data has also been collected from water trading exchanges. Exchange data show buyer bid and seller offer prices for High Security/ Reliability (HS/ HR), General Security (GS) and Low Reliability (LR) water entitlements. Further information about these prices, including data sources, is contained in the full market price report on the Department's website.
