## SECTION G: Privacy notice

---

Personal information collected on this return or in any other form supplied by you to the Department of Agriculture, Fisheries and Forestry (the Department) for the purposes of lodging a return with the Department will be treated in accordance with the *Privacy Act 1988* and any relevant guidelines.

### Personal information

'Personal information' means information or an opinion about an identified individual, or an individual who is reasonably identifiable.

The collection of mandatory information as denoted by an asterisk (\*) is authorised by the *Primary Industries Levies and Charges Collection Act 1991* (the Act) and the *Primary Industries Levies and Charges Collection Regulations 1991* for the purpose of administering the levy.

If you do not provide the mandatory information requested in this form, you will be in breach of the Act and the Department may be required to take action. The Department will also be unable to administer the levy or charge if the mandatory information is not provided. The personal information collected may include information in relation to your business, including your ABN, ACN, business name, contact person details, email address, physical address, and phone number and information about the people you dealt with in a return period.

Giving false or misleading information is a serious offence.

Information you provide in a return, about yourself or other individuals, may be used as required or authorised under the *Export Control Act 2020* for the purpose of meeting assessment requirements relating to persons who are required to be fit and proper persons under the *Export Control Act 2020*.

The Department may also use your personal information to contact you to provide information relating to levies, such as when there are changes to levy rates or to administrative arrangements for payment of levies.

Your personal information will be used and stored in accordance with the Australian Privacy Principles. Alternatively, you can email the Department at [privacy@agriculture.gov.au](mailto:privacy@agriculture.gov.au).

## **SECTION H: Reasonable excuse**

---

Ultimately, whether a person has a 'reasonable excuse' will depend on the facts and circumstances of the individual case. Accordingly, it will be important for the person to acknowledge they are unable to provide the information required by the Collection Regulations and that they have a reasonable excuse, and to keep records about their reasonable excuse.

For example, a 'reasonable excuse' to not provide the levy payer information may include that a person has put in place effective arrangements to meet legislative requirements for collecting and providing levy payer details – for example, evidenced by updated enterprise systems and/or processes; but is still not able to obtain the relevant information.
